HELP THE FRIENDS CARRY ON THE FIGHT
TO SAVE THE BARNES FOUNDATION!

Our mission to preserve the Barnes Foundation in Merion is as important as ever and your financial support will greatly ease the burden of carrying on this important work.

Members of the Steering Committee and other volunteers contribute literally thousands of hours of their time and many of the costs of operations. WE NEED YOUR HELP to defray some of the expenses for printing, website maintenance, and expenses of travel to Harrisburg and Washington, D.C.

Please make whatever financial contribution you comfortably can, knowing that you are helping us work for preservation of one of America's most extraordinary – and irreplaceable – cultural sites.

IMPORTANT NOTE: Financial contributions to Friends of the Barnes Foundation support our citizen-based advocacy and lobbying efforts. These contributions are **not** tax deductible.

With warm thanks for your contribution,

The Steering Committee of Friends of the Barnes Foundation
